

Non-Consent Form for Photography and Filming Children Young People and Adults at Risk

Statement:

Fresh Air Sculpture recognises the importance of children, young people and adults at risk having a record of their achievements and activities whilst they are with us.

Still and moving images (pictures, films, videos) are part of this record and we have a section within our safeguarding policy providing guidance on the taking, storing and further use of images.

Fresh Air Sculpture will assume that pupils that attend the sculpture show for educational workshops, are giving their consent for the above, UNLESS individual pupils fill in the Non-consent form below.

This guidance includes the need for:

- an explanation of the difference between a private and public event
- consent for individuals to have their photographs taken or appear on film.
- the registration of any person with permission to take photographs/videos within our organisation's activities.

This form is written within the guidelines of the UK Data Protection Act and the UK General Data Protection Regulation (UK GDPR)

The Fresh Air Sculpture's safeguarding policy is available to all via the website, the Safeguarding Lead and Curator of Education. We undertake to explain:

- to children, young people, adults at risk, their parent and carers where caution in necessary
- the purpose of the photograph or film being made and its use outside of personal records
- the expected personal details use if used outside personal records
- the conditions and boundaries required by any nominated photographer which includes:
 - ✓ the purpose, and timing of the photography and filming
 - ✓ the place where photographs and filming will take place i.e. openly and away from changing areas
 - ✓ ensuring the suitability of clothing e.g. swimsuits
 - ✓ the storage of all photographs and film
 - ✓ the signing by the photographer and or film maker the organisation's detailed registration form

A copy of the registration form is available to see on request.

This declaration is for Children Young People under 16 years of age and Adults at Risk who attend events at Fresh Air Sculpture and who **DO NOT CONSENT** Photography and/or Filming

Children and young people under 16 years of age who do not consent to Photography and Filming including the taking and storage of photographs and making videos.
